

The Mouse that cancelled Christmas - colouring in

For one little mouse, Christmas means just one thing . . .

DANGER!

The Mouse that Cancelled Christmas – Madeleine Cook

This activity is taken from *The Mouse that Cancelled Christmas*, a hilarious story of one health and safety conscious mouse and his efforts to protect everyone from the dangers of Christmas, including spiky pine needles and sneezy icing sugar. Find out whether the animals of Jingle Bell Forest can save Christmas from Mouse's checklist before it's too late.
