

# Bob AND Flo

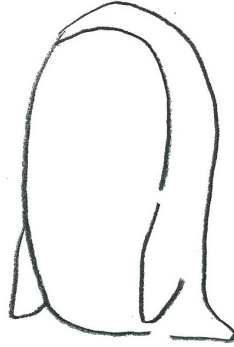

## Make some new friends for Bob and Flo

Every penguin has its own colourful personality. They love to express their individuality in lots of different ways. Here's how you can create your own unique penguin friend.

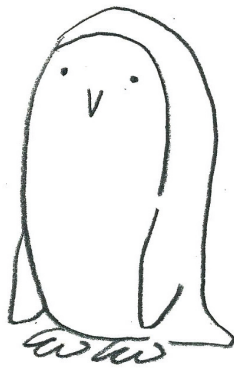

1 Draw a shape like an egg with a little tail. This is the body.

2 Add another line inside the body, then some wings.

3 Give your penguin black dots for eyes and a triangle for its beak.

4 Once you have drawn some feet and added a little colour...

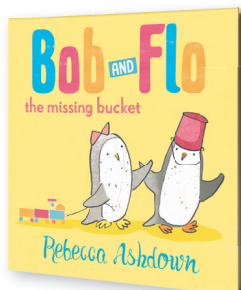

... you will be ready to give your penguin some real personality...

## What will make your penguin different?

Is it a girl or a boy? Is it cheeky or clever, naughty or nice? Does it wear a hat or glasses? Is your penguin shy or bossy? Colourful, crazy or COOL? Are you going to give it have a name? Now make some changes! You can use anything - paper collage, glitter, sequins, pens & pencils.

Very soon your penguin will be quite a little character - just like Bob and Flo!

Join best friends Bob and Flo at nursery in this adorable penguin world!
