Swinging on a star

Move from the top to the bottom of the page by linking stars that have numbers from the same times table.

• You can’t use the one or two times tables.
• You must use the same times table each time.
• Beware as some stars lead to a dead end.
• You can’t cross over the yellow – you can only move to a star that is touching the one you are on.
Answer
Four times table.
