

Speedy Green Words slideshows

This activity will help build your child's reading fluency.

Purpose: for your child to read the Speedy Green Words without sounding them out loud. This will take some practice.

Speedy Green Words are high frequency words found in lots of stories. These words are always taught first by sound-blending. Children then practise reading the words at speed so they can read the stories without sounding out each word. Children's effort can then go into comprehending the story.
